

## **APRIL NEWSLETTER 2009**

Happy Spring to all Child's Way families. We have so much to celebrate as we welcome in this beautiful season. We will be preparing the garden and the flower beds this month to enable the children to bring their new plants to school for planting and caring. This is a real special happening for the children. If any parents of Child's way would like to help in the gardening, please let your child's teacher know. Please be aware of the warmer weather, therefore, we urge all parent's to send your child with sunscreen daily and a water bottle that should accompany them to school everyday. This is also a good time to change out their clothes from their cubbies. Please send a full change of seasonal clothing in a zip lock bag that is labeled.

There are many exciting events at the school this month, so please read your child's class newsletter for any information pertaining to your child's class.

***Announcements: Children that are enrolled in Gym-Magic MUST be picked up promptly at 2:20 p.m. Stay & Play is filling up quickly for the month of April. We do limit the number to 10 children each day. If you want a guaranteed place for your child, please hand in your forms to Rebecca a.s.a.p. for the month.***

***Dates to remember: Please mark your calendar!***
