

The month of February will be "Happy Healthy Me". We will learn all about the proper care for our bodies as well as our teeth. We invite any parent or grandparent who is in the medical field to come share your wisdom with us this

month. We are excited to host Rising Stars Pediatric Dentistry at school this month. A short presentation on Dental Home Care for children will be given as well as a goodie bag will be provided for each child. We are excited to also have Ident-A-Kid services brought to our school on Wednesday, 2-18 and Thursday, 2-19. They will photograph, fingerprint, weigh and measure each child. A flyer with more information and prizes and an attached envelope, will be sent home with your child. Please check your child's file or cubbies.

REMINDERS: Child's Way would absolutely LOVE any gently used outdoor toys that your children may have outgrown. We seem to go through those riding toys very quickly, therefore we appreciate your hand me downs that are still in good condition.

We love to see the children and their parents enjoying the back playground after hours, but we MUST urge you to carefully watch the children while they are playing. The safety of each child is truly important to us and the liability remains ours, even during the after school hours. PLEASE MAKE SURE THAT ALL RIDING TOYS GET PUT BACK AGAINST THE BUILDING.

We feel the need to stress that appropriate clothing must be put on each child during this season of unpredictable weather. We would like to see each child with a jacket or coat on, when the weather is below 60 degrees in the morning. Please make sure that your child's change of clothes that remain in school are weather appropriate.

Happy Valentine's day to all you wonderful families, we love you!
